

Veterinary Nurse

Peninsula Veterinary Hospital

- Strive for clinical excellence alongside experienced, committed team members.
- Be challenged in a good way and continue learning in a collaborative & enabling environment.
- A manageable case load and lifestyle friendly roster mean you can enjoy all the Cape has to offer.

Come join the TAH family and achieve excellence in what you do while developing personally and professionally in a highly supportive, growing network of vets, nurses, and practices.

ABOUT US

TAH|The Animal Hospital and Vetshop has been around since 1957, with veterinary practices flourishing. With us you will find a perfect home in our progressive, employee-centered group where we firmly believe that happy people = healthy pets. This means we spend a lot of energy developing teams of highly skilled, enthusiastic professionals and paraprofessionals, and provide them with the facilities, equipment and support they need to do their best work.

Our practices look fantastic and has all the equipment and support staff that is necessary to make your life as a Veterinary Nurse a pleasure to fulfil and to enable you to do what you are trained to do.

We have experienced teams, led by passionate Practice Principals and seasoned Veterinary Nurses who will support your development, enabling you to assist in offering high-quality patient care.

ABOUT YOU

As Veterinary Nurse, you will be provided opportunities to develop your skills to support the teams in providing the best care to animals during- and post-surgical procedures, supporting patient care, maintaining hygiene, equipment, and care and facility standards. You will have the opportunity to perform routine dentals and discharges, take X-rays, manage weight clinics, and perform nurse consultations. This is done in supportive environments where we provide continuous development opportunities while working as part of a team.

At TAH you are never alone. There are always vets, nurses, AHTs and other support staff available to encourage and help you to develop and maintain high standards of care. Positivity, professionalism, being a team player and a desire to learn are more important than experience as we can teach you a lot of what you need to know. You must be registered with the SA Veterinary Council (SAVC) and we encourage especially new graduates to apply.

WE OFFER

- Competitive salary.
- Provident Fund.
- Paid professional indemnity and SAVC membership.
- Significant staff discounts on retail and vet services.
- Free internal CPD and an external CPD allowance.
- Employee Assistance Programme offering confidential counselling and support.
- A work-life balance to enjoy all that Cape Town and its surrounding areas has to offer.
- Long-term career development opportunities.

It is time for you to take the next step in your career and join us!
