TAH DARLING as Mixed Animal Veterinarian (Sheep, Beef, and Dairy)

We are seeking a dedicated Mixed-Animal Veterinarian with a focus on sheep, beef, and dairy animals to join our dynamic team at TAH Darling. The ideal candidate will understand the unique veterinary needs of these livestock sectors and possess the skills necessary to provide exceptional care and support to our clients in the Swartland.

ABOUT US

TAH Darling is part of the progressive employee-centered TAH Group where we firmly believe that happy people = healthy animals. This means we spend a lot of energy developing teams of highly skilled, enthusiastic professionals, and provide them with the facilities, equipment and support they need to do their best work.

The practice offers comprehensive veterinary services to various livestock and companion animal species, with a strong emphasis on professional expertise and compassionate care.

ABOUT YOU

As a mixed-animal vet you will need some experience and confidence handling critical medical cases, but you do not have to be an expert. At TAH you are never alone. Positivity, professionalism, being a team player and desire to learn are more important than experience. We can teach you a lot of what you need to know.

You will have to be registered with the South African Veterinary Council (SAVC) to practice veterinary medicine in South Africa. Other requirements include: Strong diagnostic skills and the ability to make informed decisions under pressure, as well as:

- Excellent interpersonal and communication skills for effective client interactions.
- Ability to work independently and as part of a team.
- Willingness to work flexible hours, including evenings and weekends.
- A deep understanding and appreciation for animal welfare and agricultural practices.

WE OFFER

- Competitive salaries.
- Well-appointed and equipped practice.
- Experienced practice team.
- Paid professional indemnity and SAVC fees.
- In-house accredited CPD training.
- External CPD training allowance.
- Strong employee wellness focus and an Employee Assistance Programme.
- Significant discounts on pet care and pet-related products.
- Long-service benefits.

It is time for you to take the next step in your career and join us!
Please submit your CV and cover letter detailing your relevant experience and passion for farm animal medicine at joinus@tah.co.za. Successful applicants will be contacted for interviews. **CLOSING DATE: 14 June 2024**
